

NEWS FROM THE MEADOWS

NOVEMBER 2009

VETERAN'S PARTY

Our Veteran's Party is on the 11th of November, from 1 pm to 4 pm. We are inviting all veteran's to a get together to tell memories, have a bite to eat and maybe make a long forgotten connection with a buddy. In years past is has been a very interesting afternoon. Steve will officiate to keep things moving along. Steve also puts dates, battles and a overview perspective to the wars order of

wars in order. We have had several ladies who were in WWII, and one who remembered waiving victory flags at the End of the China/Burma conflict. We have had many folks tell of where they were and how they got to be here in this area. Many times it was the little woman they met. Some times it was from going to Brunswick Navel Air Station and falling in love with the State..

They are all very interesting memories. For all who fought in any war we would like to take time and say Thank you. Each year we lose some of the folks we were Thanking the year before. The Korean war has not been well represented, and the folks from the Vietnam war are starting to come. If you know a Veteran, please tell them about this gathering. If you would like to come please do.

THANKSGIVING

November as it turns out is a very Thankful month. Our Thanksgiving feast will be on The day, the 26th of November. We will be eating our meal at 1pm. I have not got-

ten a lot of feed back as to who will be here and who will be out, this is information that is pretty important. We love to have guests, If you plan on having thanksgiving with us please let us

know by the 21st. No late arrivals this year. Last year was pretty hectic, with little notice. The price of the meal will be \$10.00. We will be eating fresh turkey! Yippy!

One benefit of using your newsletter as a promotional tool is that you can reuse content from other marketing materials, such as press releases, market studies, and reports.

While your main goal of distributing a newsletter might be to sell your product or service, the key to a successful newsletter is making it

useful to your readers.

A great way to add useful content to your newsletter is to develop and write your own articles, or include a calendar of upcoming events or a special offer that promotes a new product.

You can also research articles or find “filler” articles by accessing the World Wide Web. You can write about a variety of topics but try to keep your articles short.

Much of the content you put in your newsletter can also be used for your Web site. Microsoft Publisher offers a simple way to convert your newsletter to a Web publication. So, when you’re finished writing your newsletter, convert it to a Web site and post it.

The subject matter that appears in newsletters is virtually endless. You can include stories that focus on current technologies or innovations in your field.

You may also want to note business or economic trends, or make predictions for your customers or clients.

If the newsletter is distributed internally, you might comment upon new procedures or improvements to the business. Sales figures or earnings will show how your business is growing.

Some newsletters include a column that is updated every issue, for instance, an advice column, a book review, a letter from the president, or

an editorial. You can also profile new employees or top customers or vendors.

Microsoft Publisher includes thousands of clip art images from which you can choose and import into your newsletter. There are also several tools you can use to draw shapes and symbols.

Once you have chosen an image, place it close to the article. Be sure to place the caption of the image near the

Make a guess maybe
you will gain a few
spending dollars!

SPEAKING OF TURKEY

It is time for our annual Turkey Guess! Who will guess the biggest Turkey weight? You are all welcome to go out in the yard and lift the one you think is the biggest one. It is a dollar per guess. Winner takes the pot, unless there is a tie then the pot will split. They are

not as small as we had hoped they seem to be really packing on the pounds the last few weeks. You can guess as many times as you wish it will cost you a dollar for each guess. The turkeys go for their one way ride on the twenty first so all guesses must be in by the 20 th.

Anyone may guess, kids grand kids visitors anyone at all, we want a big fat pot to win! Good luck to everyone!

THE VOTE/ THE SHOT

We got our voting done on the 29th. It was a very good turn out for our folks. About 10 folks came to the dining room where Sally the Town Clerk got us all situated with ballots and information.

Our Flu shots turned into a little issue. We were to get them on the 20th but the serum was not sent to Androscoggin Home Health in time so we were postponed until the 30th! I guess this has

happened a couple of places around the State. So here is to a healthy winter with no flu!

MUSIC

We were treated to the Golden Nuggets in October. They are coming back on the 19th! The Golden Nuggets are quite an ensemble of instruments, with both boy and girl singers. They

are all dressed in golden shimmer. The whole Golden Nugget experience is spectacular. It must be nice to be so talented! We enjoy them each time they are able to get here. It would be nice

to be able to sing! When they come I sing to them from my office as to not hurt any ear drums!

MOVIES

The Movies by Don seem to be a hit on every other Saturday afternoons. I know the popcorn sure is disappearing! We have had some great movies so far. Maybe if you could think of any favorites that you think others would enjoy let Jeff know and he might be

able to get it hooked up for the next production experience! Jeff wants to show his Wedding Video. Make sure you get to see that. It seems that every other Saturday is working well that way no one gets tired of Watching, it stays fresh. Any suggestions we want to hear them!

TRICK OR TREAT

We had 16 trick or Treaters this year. Some belonged to folks here but in any case that was a big record breaker for us. We never have any brave children come in. We gave out pumpkin whoopee pies. They

were well received this year! We have taken most of the decorations down, thanks to Georgette for helping with that! If anyone sees a stray decoration please bring it up to the kitchen. We which over and look forward to the Veterans Party. The trick or treaters we knew were Gilbert's and Georgette's. Were were glad to have them!

On the 8th of October we went up to South Paris and ate at Market Square Restaurant. It was a good time and we were busy looking at leaves on the way. Most everyone agreed our back yard was as pretty as the trees up there. Everyone enjoyed thier meal at Market Square. We had so many folks who wanted a leaf ride we did another the follow-

ing day. This time we went up through Winthrop and Leeds and Wales. I understand Mildred and Jenn took turns getting each other lost! This trip ate at Scullys in downtown Winthrop. Most everyone had Liver and Onions! Can you believe that! Then on the 22 of October we went to Yully's over in Turner. Bob had a haddock dinner, Edith

had Chowder with sliders, Anita G. Also had Chowder with sliders and Wallace had fish and Chips. Everyone enjoyed their meals. It was a fun month for dine a round.
